FALL 2015 McCOMBS UNDERGRADUATE CAREER EXPO
UT REC SPORTS CENTER SEPTEMBER 9TH FROM 12-5 PM

12 PM – 3 PM: McCOMBS STUDENTS ONLY
3 PM – 5 PM: ALL UT MAJORS WELCOME
PROFESSIONAL ATTIRE AND STUDENT ID REQUIRED
Wednesday, September 9, 2015

Dear McCombs Students:

On behalf of the Undergraduate Career Committee (UCC) and BBA Career Services, welcome to the Fall 2015 McCombs Undergraduate Career Expo! We are excited to bring to you today some of the nation’s top companies and organizations looking to recruit talented and promising individuals such as yourself.

This year, UCC is proud to present a mobile application that will facilitate and enhance your experience at Career Expo. This app contains important company and event information to help you make the most out of your time at the Expo. In addition to listing descriptions of each company and organization, this app also informs you of the majors for which companies and organizations are recruiting, the cities in which companies and organizations have positions, and the types of positions that companies and organizations are offering. You can also find valuable information on our professional dress code, the company booth layout, and frequently asked questions.

While meeting recruiters today, remember to ask recruiters for their contact information at the end of your conversation so that you can re-connect with them after the Career Expo. Don’t wait for them to make the next move! Follow-up and see whether or not the companies and organizations you are interested in are participating in other recruiting events on campus.

If you have any questions during the Expo, please don’t hesitate to reach out to a UCC member or a BBA Career Services staff member. We are here to help you!

Thank you for visiting the Fall 2015 McCombs Undergraduate Career Expo! Have a wonderful time exploring your opportunities, and best of luck to you as you look for an internship or full-time offer that suits you. We look forward to seeing you again at a future expo!

Best regards,

Shanna Liu
