The University at a Glance:

- The University of Texas at Austin is one of the largest public universities in the United States. Founded in 1883, the university has grown from a single building, eight teachers, two departments and 221 students to a 350-acre main campus with 21,000 faculty and staff, 16 colleges and schools and almost 50,000 students.
- More than 8,700 bachelor’s degrees are awarded annually in more than 170 fields of study and 100 majors.
- The university has one of the most diverse student populations in the country and is a national leader in the number of undergraduate degrees awarded to minority students.
- From football to track, university athletic teams have earned more than 40 national championships. Current and former University of Texas at Austin athletes have won 88 Olympic medals, including 19 in Athens in 2004.
- The University of Texas at Austin’s library system is the nation’s fifth-largest academic library and is one of the top 10 research libraries in the nation.

Why Study in Austin?

- 300 days of sunshine per year | Average year-round temperature: 68.5°F / 20°C
- More than 200 parks (including 350-acre Zilker Park), 12 nature preserves and three major lakes (Lake Travis, Lake Austin and Lady Bird Lake)
- Gateway to the Texas Hill Country - home to rolling green hills, beautiful lakes, fields of Texas wildflowers and greenbelts
- Sixth “Best City to Live, Work and Play” according to Kiplinger’s Personal Finance (2008)
- Fifth-most educated city according to U.S. Census Bureau (2006)

CULTURE OF CREATIVITY:
The UT Austin community provides a lot of the youthful energy, world-class artists, and independent spirit that drive Austin’s art and music scene. Known as the “Live Music Capital of the World,” the city is home to spectacular events like the Austin City Limits (ACL) Music Festival, South by Southwest (SXSW) and the Austin Film Festival that attract visitors from all over the world.
